TOURNAMENT RULES

1. Rules of Play:

The rules of play shall be the FIFA "Laws of the Game" except as modified by US Soccer, US Youth Soccer, and Indiana Youth Soccer Association unless modified by the tournament rules, and in the case of conflict the tournament rules shall take precedence.

a. Play Formats: All games will be played in a 5v5, 7v7, 9v9 or 11v11 format. For the 7v7 play format there shall be build-out line.

b. Heading:

This rule shall apply to the U8-U12 age groups only. If in the opinion of the referee a player deliberately heads the ball in a game, an indirect free kick shall be awarded to the opposing team from the spot of the offense. If the deliberate header occurs within the goal area, the indirect free kick shall be taken on the goal area line parallel to the goal line at the point nearest to where the infringement occurred.

If in the opinion of the referee a player does not deliberately head the ball, then play should continue.

2. Registrations and Online Check-In:

Teams must have completed registrations and online check-in before playing in the tournament.

Registrations shall only be deemed to be complete after the team is listed as accepted AND full payment has been received by the tournament organizers.

Online check-in shall only be deemed to be complete after the team receives an e-mail from a tournament official confirming that all required documents have been received.

3. Bracketing:

Whenever possible there will be more one bracket of play for each age group and gender, and the placement of a team in a bracket will primarily be based upon the requested bracket during registrations where necessary,

the tournament organizers will place a team in a different bracket to the one requested

– most commonly this would be due to a bracket being full, with the ranking of the teams (or other performance data) being used to fill the bracket.

If there are insufficient teams for more than one bracket of play for each age group and gender, the tournament organizers may place all teams of an age group and gender in a single bracket or may combine age groups to form brackets.

4. Schedule:

After the final schedule is published, no request for changes will be allowed. To minimize game conflicts, coaches with multiple teams should ensure that the name of the listed coach in Got Soccer is the same for all their teams.

The tournament organizers will work to minimize coaching conflicts but may not be able to avoid all conflicts. Coaches assigned to a large number teams (3 or more), should consider contacting the tournament organizers to set priorities for their potential game conflicts.

For all other scheduling requests, coaches should contact the tournament organizers at least 2 weeks prior to the event – these requests will be considered on a case by case basis, with priority being given to reducing coaching conflicts in the schedule.
